Dear Honorable Magistrate Boyle:

This firm represents the above-named Plaintiffs.

This letter is submitted in relation to your Order dated February 14, 2012 scheduling an Inquest on April 12, 2012.

As per my voice-message to the court on April 6, 2012, be advised that the Plaintiffs intend to rely upon the affidavits and supporting papers in relation to the motion for default for inquest purposes. In addition, a witness from the Plaintiffs' offices will be present to submit testimony in relation thereto.

Kindly advise if the court would like a courtesy copy of said papers on the date of inquest.

Respectfully yours,

/s/

Alicia M. Menechino
